Financial Aid

How do you apply for federal student aid?

Complete the Free Application for Federal Student Aid (FAFSA) every year at www.fafsa.gov.

When do you apply for the federal student aid?

· Every year (as long as you are enrolled in a program)
· After you apply, you will receive a Student Aid Report, or SAR. Your SAR contains the information reported on your FAFSA and usually includes your Expected Family contribution (EFC). The EFC is an index number used to determine your eligibility for federal student aid. The school(s) you list on your FAFSA will get your SAR data electronically.

What is a Federal Student Aid ID?

Your FSA ID is used to confirm your identity when accessing financial aid information and electronically signing federal student aid documents. The FSA ID replaces the Federal Student Aid PIN.

For more information, visit https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid#pin-replacement

What are some of the uses for your FSA ID?

· Sign your online free application for federal student aid (FAFSA) at www.fafsa.gov
· Review what federal student aid you have received in the past by visiting the National Student Loan Data System at www.nslds.ed.gov
· Find out whether your FAFSA has been processed or correct information you reported on your FAFSA at www.fafsa.gov.

Academic Year

The FNU academic year is divided into three semesters, each consisting of four months. The semester consists of two terms: term A and term B, each of which is comprised of two months. There will be two weeks of recess at the completion of the Summer and Fall semesters.

Class Schedules

Most courses held on campus are scheduled for either three or four hour sessions, held Monday through Friday, anytime from 8:30 am—10:00 pm; some courses are offered on Saturdays. Additionally, clinical practices are offered 7 days a week, (scheduling based on program requirements and site availability). FNU also offers internet-based distance-learning courses.

Attendance Policy

The policy on attendance for university classes will be at the discretion of the professor. The professor will fully inform students of such policies at the beginning of the semester.
Registrar’s Office

Grade Point Average (G.P.A)
A student must meet certain standards for satisfactory progress while enrolled at FNU. This progress is computed on the basis of the quality points earned by the grades received in a semester (GPA).

The Cumulative Grade Point Average (C.G.P.A) is the average GPA of all the semesters.

All students are required to maintain a status of satisfactory progress in order to graduate; satisfactory progress is also necessary to maintain eligibility for financial aid: (see University Catalog)
1. Grade Point Average of 2.0 or above for the term
2. Satisfactory completion of the program in a period no greater than 2.0 the normal time frame.

Failure to maintain satisfactory progress can potentially lead to academic termination. A student whose cumulative GPA falls below the minimum for satisfactory progress will be placed on academic probation for the next semester. While on academic probation, the student remains eligible for financial aid funds. Any student on academic probation who brings up his/her cumulative GPA to the indicated index at the end of the semester will be removed from academic probation; however, any student who falls below the indicated cumulative GPA at the end of the probation period will be ineligible for financial aid from federal and state funds.

Leave of Absence (LOA)
Any student requesting a leave of absence from the institution must submit a written request to the Registrar’s office. The request must be signed and dated by the student and must contain the date which the student expects to return to school. The campus registrar must approve all leave of absence requests. LOA cannot be more than 180 days.

Diploma Request
Students requesting a Diploma must complete a Diploma Request form, pay $15.00 at the Bursar’s Office, and take the Form to the Registrar’s office. The form may be also found at the FNU Website under publications “Diploma Request”.

Clubs and Organizations

Top Reasons To Join a Club or Organization

1. Make New Friends- Starting at a new college campus can be scary, so why not get involved and meet new people that you already have something in common with?

2. Field Trips- Go experience new things with your organization! From visiting local attractions to innovative businesses, field trips are always a blast!

3. Leadership Opportunities- Hone your leadership skills. You can run for office and be a leader of your favorite student organization!

4. Time-management- Getting involved with an organization will teach you how to juggle your time and energy!

5. Team work- This is for all of you who never learned to play nicely with others at recess. Student Organizations take a lot of team work, so put your best foot forward and learn to work in a group!

6. Resume Building- Put the organizations you are/were involved with on your resume!! Future employers love this stuff!! This is the best part of joining a student organization!

7. Personal Strengths- Joining a club/organization helps you develop different skill sets—perhaps skills that you didn’t even know you had! You can learn how to make great speeches, take on greater responsibilities, and better yourself in many ways.

8. Fun– Make the most of your college experience, join a club or organization! Fun times guaranteed!
What is SGA?

The Student Government Association provides an opportunity for students to actively contribute to the academic and social climate of the campus.

Florida National University encourages students to participate in the governance of the campus community. One avenue for this participation is through the election of student leaders. The elected representatives of the student body include the President, Vice-President, Treasurer, and Secretary. Officers are representative of a vast array of FNU’s programs and student population.

The SGA meets to discuss and address issues of campus concern. These meetings are open to all students and other members of the Florida National University community, unless otherwise noted. Everyone is encouraged to attend, to voice opinions or simply to listen and observe.

Members of the University community interested in getting involved with SGA are invited to visit the Student Services office, which is located in room 124 at the Hialeah campus and 225 at the South campus.
The Purpose of the Student Government

Top Three Reasons to Join

Be a Change Agent

It is easy to sit around and complain about what you would like to change in your institution so that it could better serve you, SGA is how you make that change. They provide students with a platform to be the voice of the student body and ensure that students’ needs are heard and addressed.

Leadership

A good leader is not born, but created. Student Government plays a key role in helping students develop leadership skills. Student Government provides its members with numerous skills and experiences that will help to define leadership skills, from meeting facilitation, to the art of delegation, to the development of ethics and professionalism.

The Big Secret

There is a big difference between attending a university and being a part of the university. The majority of students attend a university to simply receive an education. However, individuals who become a part of the university, are exposed to new people and cultures, and learn new skills and abilities—skills that are of exceptional value in today’s world.
Athletic Department

Mission

“The mission of the Florida National University Athletic Department is to provide assistance within an athletic structure that promotes the development of a well-rounded education through structured sport and competition, to develop life skills of discipline, integrity, leadership, philanthropy and social responsibility, to elevate ethnic and cultural diversity within the athletic programs, to assure equitable opportunity for all staff and student-athletes, and to make the athletic program a durable source of pride for the student population, student-athletes, alumni, university, and community of FNU.”
