The Office of Student Services strives to contribute to the cultural, social, professional, and intellectual development of the student. The Office of Student Services coordinates the various services offered to the students, as well as aid in the development and carrying out of the student projects and organizations.

Performance Outcomes

I. Personal and professional growth: To provide resources for both external and internal services in order to assist the student in achieving personal and professional goals.

II. Cultural awareness: To enrich students’ knowledge and respect of other individuals, their customs, and cultures by the use of informational boards and cultural activities.

The Office of the Director of Student Services has a university-wide function. The Director of Student Services serves as an intermediary between the Student Body and the University. FNU Students should also contact Student Services for information regarding bus passes, student I.D.s, the Student Government Association, the commencement ceremony, institutions of higher education, and student concerns or grievances. For information on any of the services offered, please call or visit the Office of Student Services.

BUS PASSES

Students who do not own a vehicle and use public transportation should consider purchasing a monthly Metro Transit Bus Pass. This pass allows unlimited use for an entire month of the Metrorail and Metro Dade Bus System. For prices and payment deadlines, contact the Office of Student Services.

STUDENT IDENTIFICATION

Students, faculty and staff are issued a picture identification card. This identification card must be worn at all times. If you are not wearing an identification card, you will not be allowed on the premises. In the event that a student is expelled or suspended from FNU, the student must immediately surrender his/her FNU identification card to the Campus Dean. The cost of the identification card is $5.00. Each replacement I.D. card will be charged $5.00.

PARKING DECAL

For the safety and security of faculty, students, and staff, all motorized vehicles are required to have an FNU parking decal affixed to the vehicle’s lower right/left back window. Faculty, staff, and students who have been issued a parking decal - but due to an emergency are unable to use the vehicle with the permit - must obtain a temporary parking pass from the Student Services office. Use of these passes is limited to a range of several days up to one week and documentation may be required.
TUTORIALS

Free tutorials are offered on the various subjects offered at Florida National University. At the Hialeah Campus, tutorial information is provided by Program Division in each window case on each floor. The South Campus tutorials information is located in the hallway by the teachers’ office. You may also contact your individual instructor for additional help with the subject area you are having difficulty with.

COMMENCEMENT CEREMONY

The Office of Student Services coordinates the graduation ceremony which consists of the commencement act and the reception. All students are encouraged to participate. Graduating students must apply in writing for graduation status in order to receive their credentials, whether they participate or not in the commencement exercises.

All student data (address, phone numbers, and e-mail address) must be current in order to receive the ceremony itinerary in the mail or by email.

ORIENTATION

Prior to the first day of class, Orientation is offered for all new students. All student development services representatives greet new students. New students will learn about policies and procedures from FNU representatives; receive their program schedules, parking information, FNU ID’s and get acquainted with the use of the FNU Library.

STUDENT LIFE ON CAMPUS

Florida National University is a commuter university. Its population is for the most part hard working and busy; yet this should not be reason to deprive student life of many amenities such as clubs, field trips, a cohesive Student Government Association, and Alumni Association. Participation in these activities can contribute towards the cultural and social enhancement of student life.

STUDENT GOVERNMENT ASSOCIATION

Florida National University Student Government Association (F.N.C.S.G.A.) is the self-governing student entity serving as a liaison between the student body, the faculty, and the administration. It seeks professional development in an atmosphere of friendship and participation. The SGA is responsible for assisting the Student Services office in organizing student activities such as dances, sports, parties, picnics, and fund-raisers, and other.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

All classrooms and buildings at all campuses are accessible to students with disabilities in accordance with the Americans with Disability Act of 1990 (ADA).

Title III of the Americans with Disability Act of 1990 (ADA) prohibits discrimination on the basis of disability in access to private colleges and universities. Florida National University provides reasonable accommodations (e.g., a modification or adjustment to the status quo inherent in the program or activity) to qualified students with disabilities, allowing them to participate fully in the programs and activities of the university.

Students who believe they are in need of such accommodations should contact the Office of Student Services. Florida National University maintains strict confidentiality with regards to medical information related to students’ disabilities.

Any complaints or concerns regarding disability accommodations should be presented to the Office of Student Services. Complaints will be handled in accordance with the university’s complaint procedures.

A student who is eighteen years old or any student enrolled in a post-secondary program must provide one of the following: (a) written consent to release information to his/her parents or (b) parental evidence that said student is a dependent of the parents as defined in Section 152 of the Internal Revenue Code, 1954. The parents no longer have any rights under the Code unless these requirements are met. Other parties will not be able to receive information without the written consent of the student.

The student has a right to be informed of any request for information concerning his/her files, according to Statute 20, United States Code, section 123g and regulations adopted pursuant thereto (and thereafter referred to as Code). A copy of the entire Code can be obtained in the Office of the Director of Student Services or in any Campus Dean’s office.

**HEOA COPYRIGHT INFRINGEMENT COMPLIANCE PLAN**

**Introduction**

The Higher Education Opportunity Act (HEOA) of 2008 includes a requirement that institutions develop and implement a plan to effectively combat the unauthorized distribution of material, the copyright in and to which may be owned by a third party, by users of the institution’s network without unduly interfering with the educational and research use of the network.

**The plan must include:**

1. The use of technology-based deterrents;
2. An educational component regarding appropriate and inappropriate use of copyrighted materials;
3. A description of the institution’s policy and procedures for handling copyright infringement; and

**Use of Technology-Based Deterrents**

Florida National University uses a number of technical means to monitor Peer to Peer (P2P) file sharing on its network. Information that is maintained includes records of P2P file sharing sessions of all Faculty, Staff and Students. This information includes source and destination information, usernames, files being transferred, and information on the P2P application being used. When P2P traffic is observed on the network the file being transferred is identified and compared against an extensive database of known content (Movies, TV shows, Music, Software, etc.) that is subject to a claim of copyright protection. If the content is identified as being protected, the web browser of the computer in question will be redirected to an Anti-Piracy Information page where the end user will be informed that they are uploading or downloading protected material. The Anti-Piracy notice will provide the end user with examples of the works infringed and inform them of legal means to download such content.

In addition, application firewalls are enabled for all zones, which triggers general monitoring at three campus firewalls. The firewall has a signature group of common P2P apps and as new signatures are introduced, they
are added to this group. These firewalls generate alerts that show up in logs, which are monitored on the firewall log viewer and via the GMS portal.

**Educational Plan for Electronic Copyright Protection**

The Student Services Department, in cooperation with the VP of Academic Affairs will provide yearly notification to students, staff and faculty of the college’s intellectual property procedures. Additional information regarding appropriate use of copyrighted materials will be distributed to faculty, staff, and students as they are developed. The Student Services department will address FNU’s Copyright Infringement Policies during Orientation and the Policy will be posted throughout the campus during orientation.

The VP of Academic Affairs will publish in the FNU Catalog the University’s stance on intellectual property rights, P2P file sharing, the Higher Education Opportunity Act (HEOA) and the Digital Millennium Copyright act (DMCA). The pages developed and published will include a link(s) to how to obtain content authored by a third party material legally.

**Description of Institution’s Procedures for Handling Copyright Infringement**

**Florida National University**

**Copyright Infringement Policy (the “Policy”)**

**Introduction and Policy Statement**

This Policy is promulgated in compliance with Title 17 of the United States Code, 18 USC § 2319, the No Electronic Theft Act, the Digital Millennium Copyright Act, and all other applicable copyright laws and regulations (collectively the “Laws”) pertaining to educational institutions.

Florida National University (the “University”) complies with all applicable laws pertaining to copyrights, and nothing contained herein is intended to be a violation of those rights and responsibilities. The terms of this Policy shall yield to the Laws as and where required. The duties and obligations imposed by this Policy shall be in addition to and not a limitation of any duties or obligations otherwise imposed by the Laws.

For purposes of this Policy, “Information Technology Resources” shall refer to (but shall not be limited to) any and all University facilities, devices, peripherals, applications, services, networks, accounts, and resources used for or in connection with the University’s processing, transfer, storage, access, and/or dissemination of information.

Students, faculty, and staff shall respect all copyrighted works and shall not copy, disseminate, or transmit any copyrighted materials without the prior express written permission of the copyright holder. Removing or altering any copyright or other intellectual property notices shall be strictly prohibited.

Individuals using the Information Technology Resources (or any portion thereof), the library, and/or any other academic resources at the University are responsible for complying with all applicable copyright laws and the University’s policies and procedures regarding the use of copyrighted materials.

The University requires its students, faculty, and staff to educate themselves on the principles of copyright, to respect the rights of copyright owned by others, and to comply with all applicable laws pertaining thereto.

**Note: All content produced by University employees on or with the Information Technology Resources are the property of the University.**
Notification, Investigation, and Removal Procedures University Authority
In the case of copyright infringement by a student, faculty or staff member, the University reserves the rights to deny, limit, or revoke access to the Information Technology Resources or to impose other sanctions at its discretion. (See the end of this Policy statement for procedures on copyright infringement concerning language, literature, or media other than Information Technology Resources.) Once a determination of copyright infringement has been made under the Procedures for Investigation and Disposition of Copyright Infringement Allegations, the matter will be referred to the appropriate authority as defined below.

The Office of Student Services, using the Student Code of Conduct as its guideline, will deal with student violations of this Policy. Faculty violations of this Policy will be dealt with by the appropriate Division Head and other relevant University officials. Staff violations of this Policy will be dealt with by the appropriate supervisor and other relevant University officials.

The procedures outlined below will apply when the University receives written notification of an alleged copyright infringement.

Notification of Infringement by Copyright Holder
Copyright holders who believe a student, faculty or staff member has infringed their copyrighted material must notify the University’s Vice President of Academic Affairs (the “Designated Agent”) of the allegedly infringing action or material in writing. For purposes of these procedures, an email message from the copyright holder shall be considered a written notice, provided that the copyright holder alleging such infringement is identified, and is willing to provide additional signed documentation of his/her claim.

The notification must:
1. Identify the copyrighted material being infringed in sufficient detail to permit the University to locate the allegedly infringing material on the University’s Information Technology Resources;
2. State the basis for the claim of possible infringement; and
3. State the basis for the copyright holder’s copyright in the work (e.g., author, owner, assignee).

Notification of Student, Faculty or Staff Member of Allegation of Copyright Infringement
The Designated Agent will notify the student, faculty or staff member who appears to have posted the allegedly infringing material that an investigation procedure will be conducted according to this Policy.

Procedure for Investigation and Disposition of Copyright Infringement Allegations
In the event that the allegedly infringing material is being used for a class at the University, the Designated Agent will attempt to secure an arrangement with the copyright holder for use of the allegedly infringing material by the student, faculty or staff member until the end of the current academic term. Failing a satisfactory arrangement, the Designated Agent will notify the student, faculty or staff member and conduct an investigation of the alleged infringement, and will take action as set forth below regarding any allegedly infringing material.

If, after the investigation, the Designated Agent determines that the allegedly infringing material appears not to infringe on the copyright of the copyright holder, the Designated Agent will notify the copyright holder and the student, faculty or staff member of this determination. If the copyright holder disagrees with the determination of the Designated Agent, the copyright holder may request in writing that the University ask its attorneys to render an opinion as to whether the allegedly infringing material constitutes copyright infringement. If the material is determined not to constitute copyright infringement, the material will remain on the Information Technology Resources.
If, after conducting an investigation, the Designated Agent determines that the allegedly infringing material appears to infringe the copyright of the holder, the Designated Agent, working with the appropriate authority, will follow the procedures for removal of infringing material set forth below.

**Removal of Infringing Material**
If, after the Designated Agent’s investigation, the determination is made that the allegedly infringing material appears to infringe the copyright of the holder, the Designated Agent will notify the copyright holder and the student, faculty or staff member whose account was used to post the allegedly infringing material. The Designated Agent will direct the appropriate University IT staff member to remove, or block access to, the allegedly infringing material. At this time, the appropriate authority, as designated under “University Authority,” will be notified.

Upon receipt of notification from the Designated Agent that the allegedly infringing material appears to infringe the copyright of the copyright holder and is being blocked or removed from the University’s Information Technology Resources, the student, faculty or staff member may request that the designated agent restore the removed or blocked material based on the student, faculty or staff member’s belief that the allegedly infringing material is not infringing. Such a request must be in writing and include a detailed statement of the basis for the student, faculty or staff member’s belief that the allegedly infringing material is not infringing, as well as a request to the Office of the VP of Academic Affairs that the removed or blocked material be restored. If the Designated Agent receives such a request from the student, faculty or staff member, the Designated Agent, in consultation with the appropriate University authority, will provide a copy of the request to the copyright holder and to the University’s attorneys, if the attorneys have not already provided an opinion on the matter.

If, within ten days after a copy of the student, faculty or staff member’s request is sent to the copyright holder by the Designated Agent, the Designated Agent has not received a written request from the copyright holder to continue the blocking or removal of the allegedly infringing material, the Designated Agent will notify the University’s IT department to restore the material so long as the University’s attorneys, if they have been consulted, agree that the material does not constitute an infringement of copyright. The University’s IT department may restore the allegedly infringing material within four (4) days of the receipt of such notification and the material may be downloaded again by the student, faculty or staff member.

If the Designated Agent receives, within ten (10) days, a request from the copyright holder to continue the blocking or removal of the allegedly infringing material, the Designated Agent will provide copies of all correspondence to the University’s attorneys. Notification of this request from the copyright holder will also be sent to the student, faculty or staff member who had appealed the original decision regarding the alleged copyright infringement, and to the appropriate University authority. The University’s attorneys will be asked to render an opinion as to whether the allegedly infringing material constitutes copyright infringement.

If the allegedly infringing material is determined, by the University’s attorneys, not to constitute copyright infringement, the material may be restored by the University’s IT department within four (4) days of such determination and the material may be downloaded again by the student, faculty or staff member.

**Procedures Involving Alleged Copyright Infringement Concerning Language, Literature, or Media other than Information Technology Resources**
Questions of alleged copyright infringement concerning language, literature, and media other than in connection with the University’s Information Technology Resources will be investigated by the established Designated Agent(s). This/these Designated Agent(s) will follow procedures and adhere to policies that are essentially the same as those outlined above (for Information Technology Resources) to ascertain if the fair
use provisions of the Laws have been infringed upon. Blocking or removal of material determined to constitute copyright infringement will be handled in a manner determined to be appropriate for each such area, as will restoration of material that is determined, through the appeal process, not to constitute copyright infringement.

**Policy Review**
The Copyright Infringement’s Committee shall review this Policy annually.

LIBRARY / MEDIA CENTER / RESOURCE ROOM

Florida National University Library exists chiefly to support the curricula offered by FNU. Its responsibilities include assisting faculty and students in locating research materials as well as instructing them in the effective use of library resources, which include multimedia resources and Internet access, full text online periodicals, and access to full online books.

Over 29,628 items in the library collection are housed at the Hialeah Campus Library, at the South Campus Resource Room, and the Training Center. Internet access passwords to the full text online periodicals databases and online books are given out at orientations and Library research training seminars. The library website is available at www.FNU.edu (click on Library) and includes access to the online catalog, a library research tutorial, links to local libraries, and the research databases. ONLINE LEARNING
305-821-3333 ext. 1047 Hialeah Campus
http://www.fnu.edu/distance-learning/

Online classes can help you make a balance between your busy life and personal goals. FNU’s Online Learning Campus offers exciting courses for your convenience. Online classes include exercises, interesting projects, and assignments. You don’t need to travel to the campus. Take the courses from home, office or while traveling. Enjoy the simplicity, interaction and flexibility.

Online courses link students with their faculty member and classmates online through the World Wide Web (Blackboard). Online courses are asynchronous, which means that students can sign on and participate at times convenient to them.

Online students need to be prepared to interact with their faculty member and classmates in writing. Strong reading and writing skills in the English language are critical.

Typical elements of online courses include:

• asynchronous, frequent student and faculty participation
• lectures and assigned readings (from textbooks and online resources)
• individual and group assignments
• online debates
• individual and group papers
• use of online library resources
• online and proctored quizzes and examinations

FNU’s Online Learning Campus and the Registrar’s Office will announce which courses will be delivered online each term. For more information visit: www.fnu.edu
Little Angels Children Development Center has been an enormous help for the parents at the university in order to prepare them for a better future. As the parents feel comfortable in leaving their children in a safe environment, they are able to concentrate on their studies, complete their homework, use the computer labs, and participate in activities provided by the university.

Our mission is to promote quality education and care for children. Presently, we are in the process of getting information about ourselves through a survey to know what we need to pursue accreditation.

Registration is $50.00 (Academic year). The registration fee is non-refundable. The center accepts children from 0 to 5 years old. A 10% discount for all members of FNU (university students & staff) is offered.

CAMPUS DEAN AND THE STUDENT
305-821-3333 ext. 1009 Hialeah Campus
305-226-9999 ext. 1309 South Campus
305-231-3326 Training Center

THE INSTRUCTOR AND THE STUDENT

You will get to know the members of the faculty on a close, first hand relationship. FNU is a small university, and so students and faculty come to be closely knit. Student and instructor develop friendly, scholarly and business/professional relationships that last through the years.

COURSE SYLLABUS

Instructors will write their own syllabi, modeled after the institutional syllabi. The syllabus will present information on class schedule, number of sessions, holidays, course description (quoted from the FNU Catalog), textbook, course requirements, objectives, course outline, required assignments, class policies, grading system, and exit competencies. Instructors are encouraged to bring in guest lecturers, arrange field trips, and promote library skills by means of library assignments.

The instructor will distribute and discuss the syllabus on the first day of class. Students should make sure they understand all policies and provisions on the course syllabus.

CLASS PERIOD LENGTH

Classes will start at the scheduled times and students are expected to arrive on time. Remember, regular, punctual attendance not only means a good grade; it also means a timely graduation.
**ATTENDANCE POLICY**

The policy on attendance for university classes will be the responsibility of the professor who will fully inform students of such policy at the beginning of the semester.

The faculty and staff at Florida National University want you to succeed. Since studies indicate a positive relationship between good attendance and better grades, you are strongly encouraged to attend all classes and arrive on time.

* Individual instructors establish their own class attendance policies. Each instructor’s policy is included in the course syllabus and distributed at the beginning of each semester.

* It is your responsibility to understand and follow these policies and, if possible, to notify instructors in advance when it is necessary to miss a class.

* Any anticipated prolonged absences should be reported to instructors as soon as possible.

* If you stop attending class(es) for any reason, you must consult with your instructor(s) and registrar about possible withdrawal from the class(es).

**Veteran’s Attendance Policy**

Early departures, class cuts, tardies, etc., for any portion of a class period will be counted as 1 absence.

Students exceeding 20% total absences in a calendar month will be terminated from their VA benefits for unsatisfactory attendance.

In order to show that the cause of unsatisfactory attendance has been removed, students must show good attendance (as defined) for one calendar month after being terminated for unsatisfactory attendance. After such time, the student may be recertified for VA education benefits.

The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

**VITAL INFORMATION UPDATE**

Students must immediately notify the Registrar’s Office in person or through certified mail of the following:

- Cancellations
- Leave of Absence (LOA)
- Withdrawal
- change of enrollment agreement
- drop/add classes or changing classes must be done during the add/drop period to avoid having a financial penalty

In order to ensure proper communication between the University and the student, FNU encourages the use of email from students to communicate with the various departments.
PERSONAL PHONE CALLS

Florida National University realizes the necessity for students to be able to occasionally receive telephone calls. The receptionist will immediately forward any emergency messages to students. Personal phone calls should be limited to emergencies.

Students are not allowed to place personal long distance telephone calls and charge them to the University. Violations of this rule can lead to suspension.

Academic Life

Tips for Learning

In order to prevent procrastination and low GPA’s (Grade Point Averages), we offer the following guidelines for students:

Manage you time appropriately.
Then you’ll get things done, and will avoid coming up with excuses.

This is especially true at FNU, as most of our students are members of the work force, heads of households, or both. Balancing those responsibilities and duties calls for lots of planning and organization. A daily schedule will help you do that.

Study at least two hours for every hour in class.

While Studying:

1. Review the topic matter taken up in class each day as soon as possible before and after class before you forget what was said in class, refer to the footnotes, and look up references in the works indicated.
2. Read the textbook assignment.
3. Always read and study a chapter before it is discussed in class. This reading and studying ahead will make it possible for you to be able to clear up confusing points with the professor when the matter is introduced in class.
4. If your professor gives daily quizzes study the items you missed on these quizzes and you will go far to preparing yourself for the final exam.
5. Test yourself daily on each chapter or section before you go to class. Always be prepared so the instructor cannot catch you with a question to which you do not know the answer.
6. Always participate in class ask questions, volunteer answer, etc.
7. Find study friends and study together and thus learn from each other.
8. Use the library and the internet to expand your knowledge unlimitedly.

The university library has readily available material on study skills and time management. Other additional resources can be found on the Internet through the search engines found in www.fnu.edu. Type in keywords: study skills or time management.

**Academic Advising at FNU begins with:**

1. The Admissions Office, where students are advised:
   a. The programs they are projecting to sign for;
   b. The reason for their selection;
   c. The student’s qualifications as well as understanding of the nature of programs;
   d. Where necessary, as to choosing other, more appropriate programs.

2. During registration time, the Registrars advise the students concerning:
   a. the requirements of the programs and the instructors, as well as the students’ own expectations;
   b. class schedules, class times, attendance and class punctuality.

3. During Orientation, Student Services advises the students concerning:
   a. attendance at student development activities;
   b. faculty and student interrelationships;
   c. the importance of good GPA for success at FNU and your professional career.

**Academic Advising Center**

**The Academic Advising Center**

- Advising new and current students who are in a career/program.
- Explain and review academic requirements.
- Once student has completed successfully their first 4 terms they are transferred to a faculty advisor of their chosen career.

**What is the purpose of Academic Advising?**

The primary purpose of academic advising is to assist students in the development of meaningful educational plans that are compatible with their life goals.

Based on their program of studies, students should contact their Division Head for advisor’s name and contact information. The instructors advise their student’s concerning academic progress as well as academic matters. The Office of Student Services has information on other colleges, universities, scholarship, and there are all waiting for you don’t miss it.
The ultimate responsibility for making decisions about life goals and educational plans rests with the individual student. The academic advisor assists by helping to identify and evaluate the alternatives and the consequences of decisions. The academic advisor will be able to direct the student in the right direction depending on his/her life goals and offer recommendations in the following areas:

1. Career options

**TRANSFER POLICIES**

**TRANSFERABILITY OF FNU CREDITS**

Florida National University is accredited by the Southern Association of Colleges and Schools / Commission on Colleges to grant the master, baccalaureate, and associate degrees. However, students entering Florida National University and intending to continue their studies at a senior college or university shall note that the accepting institution has full discretion as to which credits it will accept for transfer. FNU cannot assure full transferability of credits, nor anticipate which course other institutions of higher learning will accept. Please discuss your plan with your advisor.

**TRANSFERABILITY TO FNU / RESIDENCY REQUIREMENT**

Students who wish to continue their studies at FNU may transfer up to 65% of the total number of credits required for completion of a program. That is:

- A maximum of 78 credits towards a 120-credit program.
- A maximum of 52 credits towards a 80-credit program.
- A maximum of 49 credits towards a 75-credit program.
- A maximum of 39 credits towards a 60-credit program.
- A maximum of 29 credits towards a 45-credit program.
A maximum of 20 credits towards a 30-credit program.

(Exception – Students transferring to the BSN Program with an ASN Degree/RN License)

For the Master’s programs, up to six (6) credits can be transferred into the program.

The procedure for transferability of credits to FNU is as follows:

1. The applicant submits an original transcript of his/her courses from the previous institution(s) at the time of registration or within the first term of enrollment (two months).
2. The University Registrar and/or the Vice-President of Academics will render an evaluation of submitted transcripts.
3. This evaluation is filed in the student’s Academic file. A copy of this document is submitted to the Office of Financial Aid for computation.

Grades and grade point averages are not transferred; courses transferred will appear on the Student Progress Report as “TC” credits.

Transfer credits are granted only for those courses in which a grade of “C” or better was earned. Criteria for transferring credits from and A.A. or A.S. degree program awarded at FNU to a baccalaureate program is shown on page 44. For internal transferability from one program to another program, the student must satisfactorily pass at least 25% of the credits corresponding with the new career to graduate.

FNU will accept credits from regionally accredited institutions that are applicable to the applicant’s program of study. FNU will accept credits from non-regionally accredited institutions for courses which are substantially equivalent in content to FNU’s courses and applicable to the applicant’s program and evaluated on a course by course basis. The acceptance of classes from non-regionally accredited institutions is contingent upon appropriate faculty credentials and applicable course content to the degree program.

Credits from international institutions will be evaluated and granted on course equivalency basis. The transcript must be translated into English and evaluated by an authorized educational evaluations and translations agency.

FNU reserves the right to choose the credentialing institutions it recognizes.

**TRANSFERRED CREDIT (TC)**

Credit for external or internal transferability is granted for grades of “C” or better. University courses completed more than five years prior to the date of enrollment at FNU will require validation. A student who wishes to change from one program to another should consult with (a) the Division Head, faculty advisor, or Campus Dean, (b) the registrar, (c) the financial aid advisor in order to become fully aware of the best possible use of credits earned, of allocated monies, of necessary changes in the contract, and of any other possible implication. All courses that can be transferred to the new program, as either part of the required block or as electives, will be reflected in the Student Progress Report, and in the Summary Sheet in the Academic File.

The grade of “D” shall transfer and count toward the baccalaureate in the same as D’s obtained by students from FNU, provided that the student has earned and been awarded an A.A. or A.S. degree. Whether courses with “D” grades in the major satisfy requirements in the major field may be decided by the department or division.

Transferring credits from another institution will be recorded as “credits earned” toward graduation, but not as “credits attempted” since they are not earned on the basis of regular attendance or regular tuition cost.
All transfer of credit must be effected at the time of registration or within the student’s first term of enrollment (two months).

**Veteran’s Credit for Previous Education or Training**

Students must report all education and training. The University must evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified.

**ADMISSION OF INTERNATIONAL STUDENTS & TRANSFER OF CREDITS**

Florida National University is authorized under United States Federal Law, Immigration and Naturalization Act, Sections (101) (a) (15) (F) (I), and (101) (a) (15) (M) (I) to enroll non-immigrant alien students. Registration of students on an I-20 Visa must be for at least a period of four (4) months; equivalent to one semester or 12 credits. This applies equally to the Associate of Science and Associate of Arts degree programs, the career education diploma program, or the certificate program. In order to process an I-20 Visa the applicants are required to fulfill the admissions procedures mentioned in the University Catalog.

**TRANSIENT AND NON- DEGREE- SEEKING STUDENT ADMISSION**

A student who is in good standing at another college or university may be admitted to Florida National University as a transient student. Transient students should consult the appropriate Dean or Registrar at the university to which they wish their credits transferred to determine the acceptability of outside credits at their home institutions.

Applicants who are taking a course, but without enrolling in a program, are classified as non-degree-seeking students. At Florida National University these students are limited to thirty credits in this classification, and they are not eligible for financial aid.

**Re-Enrollment / Readmission**

Typically, a Re-Enrollment is a student who withdrew and requests enrollment in another program and Readmission is for students who withdrew and desire to return to the same program within five years. In both cases students must satisfy the readmission procedures as follows:

1. The student who withdrew with a CGPA of 2.0 or better and a clear balance will resume his/her studies following regular admission procedures.

2. The student who was terminated because of academic probation or lack of attendance and has two consecutive semesters with a GPA under 2.0 can’t be considered for Re-Enrollment or Readmission unless the student requests a waiver of the Satisfactory Academic Progress Policy. The following process will apply:

   a) A student who has been dropped or suspended because of inability to maintain a CGPA of 2.0 may reapply to Florida National University after being out of school for a minimum of one term. At that time, the student’s academic records will be evaluated to determine if it is possible for a 2.0 cumulative grade point average to be achieved and if the program can be completed within the maximum time frame of 1.5 time of the normal time frame for completion. If it is not possible for the student to meet both standards, the student will no longer be eligible for Title IV funds.
Additionally, Florida National University may use its discretion in waiving its Satisfactory Academic Progress Policy in cases where students have mitigating circumstances. Students requesting an appeal must submit a written request, with appropriate documentation, to the Vice President of Academic Affairs and the Vice President/Director of Financial Aid. If the appeal is approved, the student will be allowed one additional semester to meet the required standards and will be eligible for Title IV funds.

3. The student who was terminated because of inability to fulfill costs will have to pay the complete balance before classes start.

4. The student who was terminated because of serious violations of FNU rules may not reapply at FNU for admission.

Additionally, Florida National University reserves the right to reject the application request of any student who comes from any other institution where the student has lost — “Good Standing” status.

Students that decide to continue onto a different program once a program has been completed, are not considered re-entry nor re-enrollments.

The Office of Academic Affairs
305-821-3333 ext. 1050

The Office of Academic Affairs oversees the planning and administration of the instructional programs of the university. Students should feel free to communicate with this office at any time. The Office has an open door policy toward all members of the University: students, administrators, faculty or staff.

GRADE POINT AVERAGE AND SATISFACTORY ACADEMIC PROGRESS

A student must meet certain minimum standards for satisfactory progress while enrolled at Florida National University.

The satisfactory progress is computed on the basis of the quality points earned by the grades received in a semester (grade point average or GPA). The GPA is calculated as follows: the number of the course credit hours multiplies the quality point value for each grade earned. The sum of these points divided by the number of credit hours attempted (hours from courses with grades A through F) equals the GPA.

The cumulative grade point average, or CGPA ratio, is obtained by calculating the GPA for all courses attempted at Florida National University. Course grades of S, U, I, W, AU, and TC do not count in the overall GPA since they carry no quality points, but count as credits attempted. See the Grading System section for more information (page 41).

Satisfactory Academic Progress is a requirement for graduation; it is also necessary in order to maintain eligibility for Title IV financial assistance. Florida National University evaluates Satisfactory Academic Progress every semester. Satisfactory progress requires meeting the following criteria:

1. Any student whose cumulative grade point average falls below the indicated index (See table above) will be placed on academic probation for the next semester. While on academic probation, the student remains eligible for financial aid funds. Any student on academic probation who brings up his/her cumulative grade point average to the indicated index at the end of the semester will be removed from academic probation.

Any student who falls below the indicated CGPA at the end of the probation period will be ineligible for financial aid from federal and state funds. Students will re-establish eligibility for financial aid when the cumulative grade point average rises to the indicated index CGPA and they are within the maximum time.

2. Satisfactory completion of the program in a period no greater than 1.5 times the normal time frame for completion. Therefore, a student must pass 66.6% of the credit hours attempted in each academic year. The university defines its academic year as 32 weeks / 24 semester credits. A semester is 16 weeks long and consists of two terms of 8 weeks.

3. A Cumulative Grade Point Average of 2.0 (“C”) or above at graduation.
A student will be considered for academic termination when the student fails to maintain the required academic standing at the end of the probation period.

A student who has been suspended may reapply to Florida National University after being out of school for one term. At the time, the student’s academic records will be evaluated to determine if it is possible for an acceptable cumulative grade point average to be achieved and if the program can be completed within the maximum time frame of 1.5 time of the normal time frame for completion. If it is not possible for the student to meet both standards, the student will no longer be eligible for Title IV funds. Therefore, should funding still be required, alternative financing must be arranged for re-enrollment.

Florida National University may use its discretion in waiving its Satisfactory Academic Progress Policy in cases where students have mitigating circumstances. These include serious illness or injury of the student or serious illness, injury, or death of the student’s immediate family. A student requesting an appeal must submit a written request to the Vice President of Academic Affairs and Vice President/Director of Financial Aid. If the appeal is approved, the student will be allowed to enter the University only at the beginning of a semester (term A) for one additional semester to meet the required standards and will be eligible for Title IV funds.

STANDARDS OF ACADEMIC PROGRESS FOR VA STUDENTS

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 2.0 each semester.

A VA student whose CGPA falls below 2.0 at the end of any semester will be placed on academic warning for a maximum of two consecutive terms of enrollment. If the VA student’s CGPA is still below 2.0 at the end of the second consecutive term on warning, the student’s VA educational benefits will be terminated.

A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a CGPA of 2.0.

UNSATISFACTORY PROGRESS

ACADEMIC WARNING, PROBATION AND TERMINATION

If a student falls below the criteria listed for Satisfactory Progress (below 2.0 average), the student will be placed immediately on academic warning. Academic advisement will be given to the student to advise him or her of the seriousness of the change in academic status and the need for improvement.

When the grade point average below 2.0 is sustained for two consecutive semesters, the student will be placed on probation. At this point, the eligibility of the student to graduate becomes uncertain. During the probationary period, financial aid from federal and state funds will be withheld. In such a case, the student has the following options:

1. If the student wishes to remain in university he must meet his own academic expenses during the probationary period. However, the student will be terminated if the grade point average remains below a 2.0.

2. If the student does not wish to/or cannot maintain his own expenses, he will be terminated.
SUSPENSION, EXPULSION

Suspension and or expulsion have to do with the infringement of University rules, and their application will follow procedures at the discretion of the Campus Dean. Please see University Catalog.

ACADEMIC DISHONESTY

Florida National University prohibits and therefore, will adjudicate cause, all forms of academic dishonesty, which includes, but is not limited to, plagiarism, cheating, giving false information, forgery, alteration or misuse of documents cheating during an exam or fraud or deception with identification. When using the ideas, research, and forms of expression of others, the student should appropriately acknowledge the source. Those students accused of academic dishonesty may take their appeal to the Honor Court.

THE HONOR COURT

When using the ideas, research and forms of expression of others, the student should appropriately acknowledge the source. Those students accused of academic dishonesty may take their appeal to the Honor Court. In cases of flagrant violation of FNU rules, the campus deans may refer the matter to the Honor Court. The Honor Court will be made up of three members of the student government of the Campus involved and two faculty members, one chosen by the student. The decision of the Court will be by majority of the panel members. The decision of the Court may be appealed to the Campus Dean. The campus dean’s decision is final.

STUDENT CODE OF ETHICS

Cheating or plagiarism is dishonest, undermines the necessary trust upon which relations between students and faculty are based, and is unacceptable conduct. Students who engage in cheating or plagiarism will be subject to academic sanctions, including a lowered or failing grade in a course; and the possibility of an additional administrative sanction, including probation, suspension, or expulsion.

Cheating is the act of obtaining or attempting to obtain credit for academic work by using dishonest means. Cheating at FNU includes but is not limited to: Copying, in part or whole from another's examination, paper, mathematical analysis, research or creative project, or the like; Submitting as one's own work an examination, paper, mathematical analysis, research or creative project, or the like which has been purchased, borrowed, or stolen; or fabricating data; Consulting notes, sources, or materials not specifically authorized by the instructor during an examination; employing a surrogate to take an examination, write a paper, do mathematical analysis, or complete, in part or wholly, an evaluation instrument; Aiding or abetting any act that a reasonable person would conclude, when informed of the evidence, to be a dishonest means of obtaining or attempting to obtain credit for academic work; and Committing any act that a reasonable person would conclude, when informed of the evidence, to be a dishonest means of obtaining or attempting to obtain credit for academic work.

Plagiarism is the act of obtaining or attempting to obtain credit for academic work by representing the work of another as one's own without the necessary and appropriate acknowledgment. More specifically, plagiarism is: The act of incorporating the ideas, words of sentences, paragraphs, or parts thereof without appropriate acknowledgment and representing the product as one's own work; and The act of representing another's intellectual work such as musical composition, computer program, photographs, painting, drawing, sculpture, or research or the like as one's own.
If a student is in doubt about the nature of plagiarism, he/she should discuss the matter with the course instructor.

**Theft** - Copying computer programs owned, leased, or rented by the University for use by the student in his or her course of studies is considered theft and will be dealt with according to the laws covering such actions and to the University norms for disciplinary actions.

In cases like these, the Campus Dean will convene a Hearing Committee which will hear, investigate and render a report to the Campus Dean. This Committee will be composed of three members from the faculty or staff. According to the findings, the Campus Dean has the choice to make a decision. If this decision is not acceptable to those involved, a petition to the Dean to appoint an Honor Court must be signed by at least three people.

**ACADEMIC GRADING SYSTEM AND TRANSCRIPT CODE KEY**

Official grades and their quality point’s equivalency at FNU are as shown on the next page. The final grade of a course shall be based on various criteria; however, the individual instructor establishes the weight of each assignment for determining the final grade and this information is given in the course syllabus of which every student shall receive a copy.

**TRANSCRIPT CODES**

- Credit by Examination CE Subject to Registrar’s authorization.
- Guided Studies GS Subject to Registrar’s authorization.
- Placement by Testing PT For the ESL programs.

**FAILURE (F)**

An “F” is a grade; it counts for the GPA. It alters the completion date of the program; it also increases the student’s financial burden. An “F” may not be erased, but the course can be repeated to improve the GPA. The latest grade for the course prevails. A student may continue to receive federal financial aid for any course failed as long as the student is otherwise eligible.
In the Practical Nursing Program, the lowest acceptable grade is a 75% (C). Anything below is considered failure.

**INCOMPLETE (I)**

Use of this grade is very restricted and only on the basis of extenuating circumstances in the judgment of the instructor. When a student is not able to complete the course requirements within the length of the course for reasons acceptable to the instructor, the instructor may assign an “Incomplete” on terms specified by the instructor. An “I” is valid for only one semester; after this it becomes an “F.” During the waiting period, an “I” is listed as credit hours attempted, but not completed.

The instructor will prepare a modified final exam or an appropriate assignment and leave it in a sealed envelope with the department head or division head. The department head or division head or an instructor designated by them will proctor and score the exam in accordance with FNU policy. The same will apply to written papers waiting to be graded as part of a final grade.

The instructor may calculate the course average by using “0” for each of the components of the final grade that has not been satisfied. (The course syllabus will list the components of the final grade for that course, or the instructor will otherwise stipulate these.)

**WITHDRAWALS (W, WP, WF, WU)**

Students desiring to withdraw formally from a class may do so within the add-drop period without penalty. A reduction in course load may keep the student from meeting minimum standards for satisfactory progress. Course withdrawals may also jeopardize the student’s financial aid eligibility, VA benefits, and program completion date.

- The **ADD/DROP period** is the first week of the semester (Term A), ending Friday of that week.
- During this time, you are able to add, change, or cancel classes, by following the procedure established. Classes withdrawn during this period will receive a “W” on the transcript.

- Requests to change, add or cancel classes must be made in writing by means of the Cancel/Add form, found on the FNU website or at the Registrar’s Office. Any changes to your schedule must be approved by your Department/Division Head and a Cancel/Add form must be completed, signed, and turned into the Registrar’s Office. Online Learning students must submit the completed form to the Registrar’s Office via either e-mail (kcabrera@fnu.edu or hflores@fnu.edu) or fax at 305-362-0595, Attention to: Registrar’s Office.
- Additional questions to the Online Learning Campus can be emailed to slomena@fnu.edu.

- No schedule changes will be accepted for the semester during Term B unless it is an emergency, and you will be charged for the change. For changes approved after the ADD/DROP period, the student will be charged $50.00 per change.

- Students starting in the University in the Term B of the semester, will be granted an ADD/DROP period during the first week of this term.

  - **Late Withdrawal:** Any withdrawal after the Add-drop period incurs full financial obligation. The student will receive a “WP” if the withdrawal is made between the second week of classes up to the mid-term. “WP” does not affect GPA. “WF” is assigned after the midterm, when the student does not complete the course
requirements. “WF affects GPA. “WU” is assigned after the midterm, when the student does not complete the course requirements for remedial courses. “WU” does not affect GPA.

WITHDRAWAL FROM THE UNIVERSITY:

In order to officially withdraw from the University, the students must fill out a Withdrawal Form. This form is available at the Registrar’s Office or can be downloaded from the FNU website. It must be completely filled out and submitted to the Registrar’s Office. Online Learning students must submit the completed form to the Registrar’s Office via either e-mail (kcabrera@fnu.edu or hflores@fnu.edu) or fax at 305-362 0595, Attention to: Registrar’s Office. Additional questions to the Online Learning Campus can be emailed to slomena@fnu.edu.

It is common practice for the student to meet with the Advising Office and his/her career advisor (Department or Division Head) before processing a withdrawal.

No withdrawal will be official until the student receives an acknowledgement from the Registrar’s Office.

Any withdrawal after the ADD/DROP period is subject to financial implications.

STANDARD PERIOD OF NON-ENROLLMENT

Students enrolled in Certificate Programs, and planning to be out of FNU for one term (two months), must submit a written request for a Standard Period of Non-Enrollment to the Registrar’s Office. The SPNE request form is located in the Registrar’s Office or can be downloaded from the FNU website.

SPNE’s are usually approved for one term (two months) per semester. However, during the summer semester, a student can request it for four months (one semester).

A Standard Period of Non-Enrollment must be requested prior to the start of the term or during the first week of classes of the term the student is planning to be away from FNU.

After the ADD/DROP period, no SPNE requests are granted. Students will receive a “W” for that term once that SPNE is approved. If the SPNE is only for one term (two months), the student’s remaining schedule of courses will remain the same.

The request must be authorized by the Campus Registrar and the Financial Aid officer.

Students must report to the Registrar’s Office by the date indicated on the Standard Period of Non-Enrollment form. Students who fail to return to the University by the expected date will be considered to have withdrawn from the school, and the student will therefore be responsible for any balance due.

An SPNE extends a student’s graduation date. Students on SPNE may not be able to maintain their course sequencing.

The Campus Deans will work closely with the Student Services Department who in turn directs a program of awareness with the students.

All campuses are secured with master alarm systems which are activated by one of the above mentioned, according to day/night duty schedule. The Hialeah Campus is also monitored by video cameras.

At each orientation, every eight weeks, all students and university personnel are reminded of security, its necessity and their obligation to look out for each other and the security of the institution.

All members of the University community must wear the University ID at all times.

While each incidence of campus criminal activity is reported to the President’s Office, each Dean keeps a record of the criminal activity on his/her campus, and a Crime Log is kept at the Office of Student Services.

PROCEDURES IN CASE OF FIRE, DISASTER, OR MEDICAL EMERGENCY

FIRE PREVENTION AND CONTROL PROGRAM

Students will have readily available information on procedures regarding different emergencies (fire, hurricane, etc.). There are two fire drills a year. Specific policies and procedures can be found in the Safety Manual.

In this handbook, we present some useful and commonsensical tips for prevention of emergencies:

FIRE PREVENTION

- No smoking is allowed within the University premises.
- Combustible materials are properly sealed and stored at a safe temperature.

MEDICAL LABS

- Safety procedures for each laboratory will be taught and practiced in the course.

GENERAL UNIVERSITY AREA

- No frayed cords are to be used.
- No wires are to be exposed.
- No flammable materials are to be stored inappropriately.

FIRE CONTROL PLAN

- All University members shall be aware of the nearest exit in case of fire and where the fire extinguishers nearest to them are.
- The Building plan should be posted in each classroom.
• Telephone number of fire department should be posted. (Dial 911)
• Twice a year a fire drill will be conducted.
• If the fire alarm sounds, the building must be evacuated.

**PROCEDURES IN CASE OF FIRE**

Make sure you are aware of the evacuation route posted in each classroom or office. Fire extinguishers (that are adequate for the number of people in the building) are easily accessible and in sight.

1. Persons discovering a fire will immediately inform the Campus Dean.
2. If evacuation of the building is deemed immediately necessary, campus authorities will pull the fire alarm.
3. Emergency Services (911) will be immediately called.
4. In each class, the faculty member will keep order and escort students through the nearest exit.
5. All other persons will walk to the nearest exit in silence.
6. Faculty will take their rosters and emergency phone with them.
7. Once the last student has exited the classroom, the faculty member will close the door of the classroom. The faculty will leave the lights ON, close the door, and make sure that it is unlocked.

**IN THE EVENT OF REAL, THREATENING OR IMPENDING DISASTER:**

1. The Campus Dean will call Emergency Services (911) immediately.
2. All faculty and staff present will hold joint responsibility for safety and for orderly procedures.

2. The rescue squad (911) is to be called immediately, if deemed necessary or requested by the victim.
3. Parents, guardians, or spouse are contacted immediately as indicated in the student’s records, and from then on, the family members will take responsibility.
4. The Campus Dean’s office will fill out the Student Accident/Illness form for the records.

**CRIME ON CAMPUS**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (originally known as the "Campus Security Act") was enacted by the United States Congress and signed into law in 1990 and then later amended in 1992 and 1998. This law, which applies to all institutions of higher education, both public and private that participate in any federal student aid programs requires schools to publicly disclose 3 years of campus crime statistics and basic security policies. As prescribed by the Jeanne Clery Act, FNU has its own plan to report criminal actions, other emergencies occurring on campus and its own policies concerning the institution’s response to such reports.
Under no circumstances are students allowed to bring any type of weapon on campus or use any object to threaten or harm people or property. For specific plans and procedures on reporting of a crime, please refer to the Safety Manual.

**NOTE:** The Campus Security Report is published annually and is available online under the Consumer Information Link and found under Campus Security.

**TIMELY WARNING POLICY**

In compliance with the “Timely Warning” provision of the Clery Act, Florida National University issues campus wide alerts regarding any Clery Act crime that may constitute a continued threat to the campus community. Timely warnings may be issued for threats to persons or property. The issuing of a timely warning is made on a case by case basis, taking into consideration the nature of the crime, the continuing danger, and the risk of compromising any ongoing investigation. Upon notification that a Clery Act Crime has been committed, the Dean or Assistant Dean shall issue the Timely Warning.

The methods employed to notify the campus may include but are not limited to:
- Announcement over the interoffice intercom
- Room by Room Announcement
- A “Timely Warning” flyer posted at the campus entrance.

**SEXUAL ASSAULT PREVENTION AND RESPONSE POLICY**

Florida National University educates the student community about sexual assault and date rape through the Office of Student Services. The Office of Student Services provides literature on date rape education, risk reduction, and university response annual sexual assault education as well as annual information programs to University students and employees.

If you are a victim of sexual assault, first seek safety and then immediate medical attention. Florida National University strongly encourages any victim of sexual assault to report the incident in a timely manner. Time is a critical factor in the collecting and preserving of evidence. (Ideally a victim of sexual assault should not wash, douche, use the restroom, or change clothes prior to a medical examination.) An assault should be reported to the local police department by dialing 911 or reporting the incident to the Campus Dean who can assist you with the reporting of a sexual assault.

All alleged sex offenses are subject to FNU disciplinary action. Both the victim and the accused are entitled to choose one person who has no formal legal training to accompany them throughout the hearing. Both the victim and the accused will be informed of the outcome of the hearing. A student found guilty of violating the sexual misconduct policy could be criminally prosecuted and expelled from FNU. Student victims have the options to change their academic situation after an alleged sexual assault, if such accommodations are reasonably available.

Florida National University also strongly advises victims of sexual assault to seek counseling. Local organizations that specialize in crises counseling include:

- RAINN-Rape, Abuse & Incest National Network (800) 656-4673
- Victims of Crimes Services 305-230-6141
- Opa Locka Domestic Police Department-Violence Intervention Unit 305-953-2838
- Baptist Health-Women’s Health Center (786) 596-5981
SEX OFFENDER REGISTRY

In compliance with the “Campus Sex Crimes Prevention Act” of 2000, Florida National University maintains an electronic link to the Florida Department of Law Enforcement Sex Offender Registry. According to this act, all institutions of higher learning must issue a statement informing the campus community where it can access the state sex offender registry. This act also requires State registered sex offender to report any institution of higher learning in which he/she is employed, carries a vocation, or is a student.

The Florida Department of Law Enforcement is responsible for maintaining the Florida Sexual Offenders and Predators website. Follow the link below for access.

DRUG AND ALCOHOL PREVENTION PROGRAM

NOTICE TO STUDENTS AND EMPLOYEES:

Florida National University has established a Drug and Alcohol Free Awareness Program (DAFAP). The DAFAP encompasses the following four phases:

PHASE ONE

WARNING OF THE DANGERS OF DRUG AND ALCOHOL ABUSE:

Drug and alcohol use impairs memory, alertness and achievement. It erodes the capacity to perform, think and act responsibly. It may be grounds for termination of your enrollment with the institution or other legal action. SCHEDULE A specifically details the Uses and Effects as it relates to alcohol.

PHASE TWO

THIS INSTITUTION HAS A POLICY OF MAINTAINING A DRUG AND ALCOHOL FREE LEARNING ENVIRONMENT

All students and employees are hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of illicit drugs and alcohol is prohibited in the institution's learning environment. Any student or employee must notify the institution of any criminal drug and alcohol statute conviction for a violation occurring in the learning environment no later than five days after such conviction. In compliance with the Drug-Free Workplace Act of 1988, the institution's "workplace" consists of the following locations:

Florida National University 4425 West 20 Ave, or any teaching site, or any "off-site" location (i.e. field trips, job placement, luncheons, meetings, etc.) where the activities are in any way related to the University.
PHASE THREE

LISTING OF THE AVAILABLE LOCAL DRUG COUNSELING, REHABILITATION AND ASSISTANCE PROGRAMS:

Please refer to SCHEDULE B.

PHASE FOUR

NON-COMPLIANCE WITH THE TERMS OF THIS INSTITUTION'S DRUG-FREE WORKPLACE STATEMENT

Non-compliance will result in the following action being taken by this institution:

a. The student or employee would be required to actively participate in a drug or alcohol abuse assistance or rehabilitation program approved by federal, state or local health, law enforcement or other appropriate agency. Attached SCHEDULE C contains a description of the applicable legal sanctions under local, State, and Federal law for unlawful possession, use, or distribution of illicit drugs and alcohol.

b. Community service with one of the above stated agencies.

c. Termination of enrollment.

SCHEDULE A

ALCOHOL USES AND EFFECTS

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.
