# Forgot Your Password

Now, there are two different options to recover your password. Option 1: **Username Option**. Option 2: **Email Address Option**. Complete one of the two options available

### Lost Password

To change your password, provide information for one option only: Username or Email Address.

---

**USERNAME OPTION**

To change your password, type your **First Name, Last Name, and Username** You need an active email address associated with your account to receive instructions. Your current password remains active until you change it.

Cancel

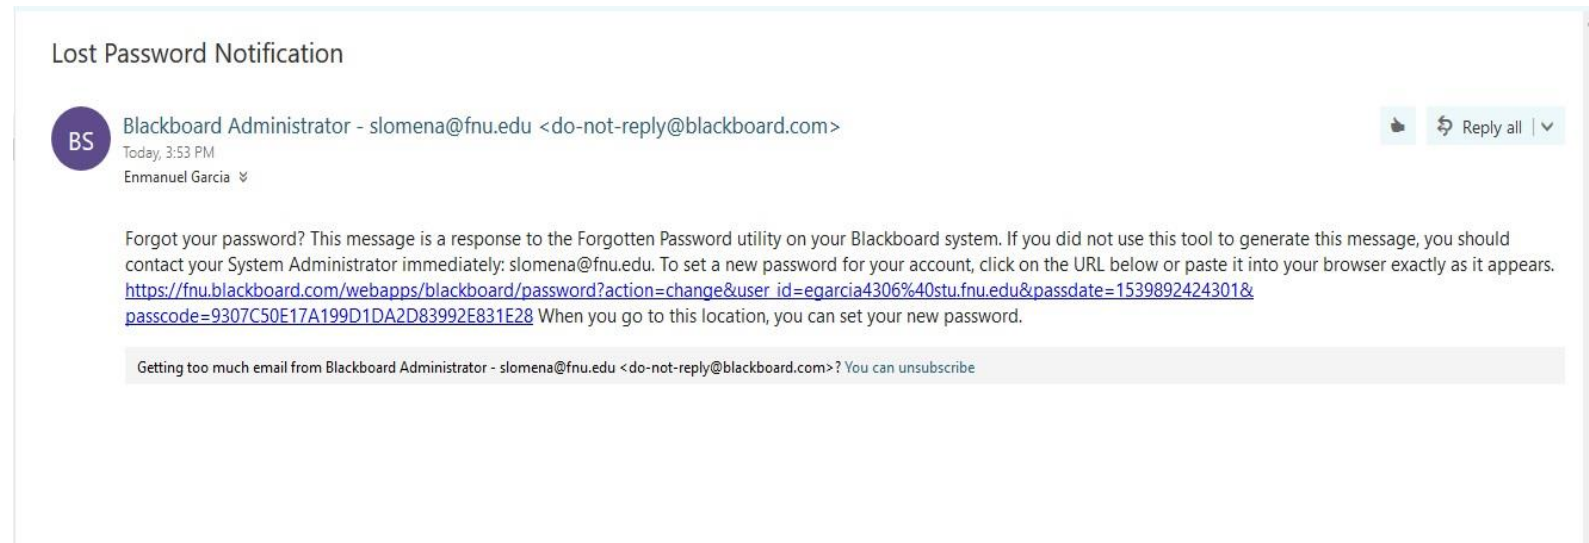

# Forgot Your Password

Once you have completed one of the options and clicked “**Submit**,” you will be taken back to the Blackboard log in page. Here you will be prompted with the message saying “**Check your email. We just sent you instructions to change your password.**” At this time, log in to your Student Email Address

# Forgot Your Password

Once you logged into your student email account, you will find an email from “**Blackboard Administrator**” as shown above. *(If for any reason you do not find this email in your Inbox, check your Clutter or Junk Folder).* Click on the link that you received in the email

# Forgot Your Password

After clicking the link, you are taken to this page. Here you will create a New Password and then verify the password a second time; after that is done, click “**Submit.**”

### Change Password

CHANGE PASSWORD
