

## Health Services Administration (HSA), Associate of Arts Degree

This program is designed for students planning to pursue a higher-level degree in health services administration as well as to equip students with skills needed in entry-level supervisory positions in the health services field. It offers key introductory courses in health services administration and also includes a thirty-nine credit-hour component of general education/liberal arts courses. FNU awards an Associate of Arts Degree in Health Services Administration upon graduation from this program.
