

## Business Administration (BA), Associate of Science Degree

This program is designed to prepare the student for entry-level employment as a business executive. The program offers an introduction to the fields of management, finance, economics, accounting, communications, business law and ethics. Training and practical instructions are provided to meet the challenges of this rewarding position. The program includes a nineteen credit-hour component of general education/liberal arts courses. FNU awards an Associate of Science Degree upon graduation.
