

Crime Scene Investigation (CSI), Diploma

This program has been designed for those students seeking a diploma in the field of Crime Scene Investigation among other careers of great demand. It will offer students a broad background in the collection, preservation and analysis of physical evidence at a crime scene. Florida National University will award a Diploma upon graduation to those students who complete the necessary requirements. These students may continue their education at the associate's or bachelor level, or begin careers in the field including law enforcement*, crime scene investigator, private industry, and forensic science tech. *Note: Employment with certain law enforcement agencies may require separate certification in basic police training (academy).
